**County Evaluation Summary**  
**for Fiscal Year 2013-2014 (July 1, 2013 - June 30, 2014)**

**County: Madera**

**Thursday, October 23, 2014**

**Provide a description of the evaluation activities completed during the fiscal year**

Three components contributed to the First 5 Madera County "Evaluation Activities" for the 2013-2014 fiscal year. They are: 1) Statewide Evaluation, 2) Evaluation Plans, and 3) Evaluation tools. Each component has facilitated the evaluation process, increasing the quality of evaluation outcomes for First 5 Madera County. A description of each "Evaluation Activity" is below.

The ultimate goal of each Evaluation Plan is to "tell" the program's "story" of the impact of the service provided to young children and their families. The Evaluation Plans ensure that each funded program is capturing outcomes, aligned with the First 5 Strategic Plan Hierarchy. Evaluation Plans have been tailored to assess each funded program. Each Evaluation Plan has the following eight sections: Program goals, strategic plan objectives, result indicators, data collection methods, tools, frequency and schedule of data collection, frequency and schedule submitted to First 5 staff, who is responsible, and sampling strategy.

**Describe the evaluation findings reported during the fiscal year**

The statewide evaluation, evaluation plans, and evaluation tools have provided First 5 Madera County with sufficient outcome information to demonstrate results for First 5 Madera County in the 2012-2013 fiscal year. First 5 Madera County continues to implement the evaluation system mentioned above for the 2013-2014 fiscal year. As programs grow, the evaluation system is flexible to allow for additional units of measure to capture and ultimately "tell" the "story" of First 5 Madera County funded programs.

- 1) "Demonstrating Results Funded Programs 2012-2013," which is First 5 Madera County's evaluation reports that utilized the "Evaluation Activities" is available upon request."
- 2) "Demonstrating Results Funded Program 2013-2014" is currently in the process of being compiled.

UNPULIBSHED at this time.

**Describe the policy impact of the evaluation results**

Funded Program "Community Impact Reports" were presented to First 5 Madera County Program and Grant Awards Committee. First 5 Madera County staff and Commissioners used the information to make programmatic funding decisions. The results provide a comprehensive understanding of funded program functions, outcomes, strengths, and weaknesses.
