

FIRST 5 MADERA COUNTY Provider Purchasing Event

October 30, 2010

20 Providers \$ 15,000

Each provider received \$750.00 to purchase developmentally appropriate items for their licensed In-Home Family Childcare Centers!

Outcomes

- Providers received Family Childcare Center Environmental Rating Scale(FCCERS-R) training from Preschool Specialist
- Providers scored their homes to determine the need for quality enhancements
- On average, providers scored 5.53* on the pre-FCCERS-R, on a 7 point scale
- Providers participated in purchasing event at GW School Supply on Saturday October 30,2011
- On average, providers scored 6.31* on the post-FCCERS-R
- 113 children 0-5 benefited from quality enhancements to the centers
- On-going benefits for future children in care

*Average based on random sample of 50% of the providers, pre was conducted by the provider, post conducted after purchasing event by a professional FCCERS-R rater.

Environmental and Quality Enhancements

"Thank you for the new chairs"- Hortencia Mata-Klein

"Puzzle rack, puzzles, musical instruments, bowling set, and books are great!"-Jennifer Brown
